**Amazing Minds**

Learning made fun! Come explore this exciting after school program open to all 1st and 2nd graders who love to learn! Amazing Minds offers a variety of interactive topics that will expand your child's knowledge of the world and reinforce their academic skills. For example, your child may become a junior geologist and explore the world of rocks & minerals; investigate owl pellets; find out how to make raisins bounce through scientific experiments; learn about famous landmarks, rare Australian animals, or sharks, whales and dolphins. Excavate hidden treasures from an ancient Egyptian tomb, or sample ethnic cuisine from China or Italy. Come join all the fun exploration in this can't miss enrichment program. All materials are included.
