

**OPERATIONAL SERVICES**

**Environmental Quality of Buildings and Grounds**

The Superintendent and Principal shall take all reasonable measures to protect (1) the safety of District personnel, students, and visitors on District premises from risks associated with hazardous and infectious materials and (2) the environmental quality of the District's building and grounds. Before pesticides are used on District premises, the Principal shall notify employees and parents/guardians of students as required by the Structural Pest Control Act, 225 ILCS 235/, and the Lawn Care Products Application and Notice Act, 415 ILCS 65/.
