**Title I, Part A Parental Involvement Policy**

The Bannockburn School District 106 agrees to implement the following statutory requirements:

- The school district will put into operation programs, activities and procedures for the involvement of parents in its school with Title I, Part A programs, consistent with section 1118 of the Elementary and Secondary Education Act (ESEA). Those programs, activities and procedures, including the process of school review and improvement under section 1116, will be planned and operated with meaningful consultation with parents of participating children.
- Consistent with section 1118, the school district will work to ensure that the required school-level parental involvement policies meet the requirements of section 1118(b) of the ESEA, and each include, as a component, a school-parent agreement consistent with section 1118(d) of the ESEA.
- The school district will incorporate this district wide parental involvement policy into its LEA plan developed under section 1112 of the ESEA.
- In carrying out the Title I, Part A parental involvement requirements, to the extent practicable, the school district and its schools will provide full opportunities for the participation of parents with limited English proficiency, parents with disabilities, and parents of migratory children, including providing information and school reports required under section 1111 of the ESEA in an understandable and uniform format and including alternative formats upon request and, to the extent practicable, in a language parents understand.
- If the LEA plan for Title I, Part A, developed under section 1112 of the ESEA, is not satisfactory to the parents of participating children, the school district will submit any parent comments with the plan when the school district submits the plan to the State Department of Education.
- The school district will involve the parents of children served in Title I, Part A schools in decisions about how the 1 percent of Title I, Part A funds reserved for parental involvement is spent, and will ensure that not less than 95 percent of the 1 percent reserved goes directly to the school.
- The school district will provide such other reasonable support for parental involvement activities under section 1118 of the ESEA as the parents may request.

- The school district will be governed by the following statutory definition of parental involvement, and expects that its school will carry out programs, activities, and procedures in accordance with this definition:
