

**Authorization and Agreement to Follow Rules For Technology Access**

I have read, or have had explained to me, the attached Policy and Rules and Regulations regarding the use of the School District computer network and technology, and I agree that I will follow these rules when I use the District's computer network and technology. I understand that, if I use the District's computer network and technology in a way that violates these rules, I can be disciplined. Discipline may include loss of computer network and technology use privileges, detention, suspension, expulsion or other consequences. I understand that any information or documents I create or place on the District computer network or send or receive via e-mail belongs to the District and may be looked at by District employees or others at any time, and that such information or documents will not be private in any way. I know that information or documents placed on the system also may be lost or damaged. I understand that if I misuse the technology or cause harm to the network or anyone else or their information or documents, that my parents or guardians and I will be responsible for paying for such misuse or damage.

In addition, I also understand that any off-campus misuse of technology that is a disruption, or anticipated disruption to the educational environment, or can be construed as a threat or poses a danger to the safety of other students, staff or school property, are grounds for disciplinary action.

By signing below, I demonstrate that I understand and agree to the attached Policy and Rules and Regulations.

*I have read the attached Board Policy and Rules and Regulations regarding use of the District's technology. I understand that unacceptable use of the technology may result in suspension or revocation of computer network and technology privileges, discipline up to and including expulsion from school, and criminal or civil penalties. I realize that my student might access objectionable material through the Internet. I understand that the District may review all files, including electronic communications that are created on, stored on, or sent to, from, or via the computer network.*

*I authorize the District to provide my student with computer network and technology access, and accept all terms and conditions of my student's computer network and technology use as stated in the attached Policy and Rules and Regulations.*

\_\_\_ I request that my student be permitted access to the District's computer network, **BUT NOT** to the Internet.

\_\_\_ I request that my student be permitted access to the District's computer network **AND** to the Internet.
