
PLANNED IMPROVEMENT FOR THE SCHOOL AND DISTRICT

This is the final section of the school report card in which your school and district provide information below on areas of success and areas for planned improvement based on your school's improvement plan.
(For report cards disseminated electronically, this information may be provided in a separate document due to differences in the software used. If you are unable to locate this document, please contact your local school or district office.)

Our school district is proud of the accomplishments of our students in all subject areas. 96.2 % of our students met and/or exceeded the state standards in all areas.

Third grade

In third grade, 94.4% of our students met or exceeded the state standards in reading and 100% of our students met or exceeded the state standards in math.

Fourth grade

In reading, 92% of our students met or exceeded the state standards and 100% of our students met or exceeded the state standards in math.

Fifth grade

In reading, 95.2% of our students met or exceeded the state standards and 95.2% of our students met or exceeded the state standards in math.

Sixth grade

In reading and math, 100% of our students met or exceeded the state standards.

Seventh grade

In reading, 100% of the students met or exceeded the state standards and 90.9% of the students met or exceeded the state standards in math. In science, 90.9% of the students met or exceeded the state standards.

Eighth grade

In reading and math, 100% of our students met or exceeded the state standards.

Although our students do exceptionally well in math, reading and science it is our goal to continue to challenge our students to meet and exceed the state standards.
